

DOMINOSPIEL

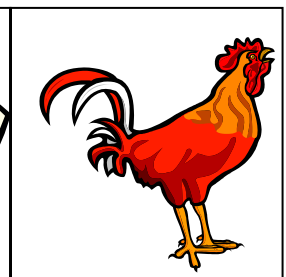

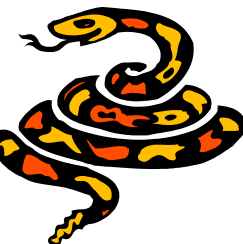

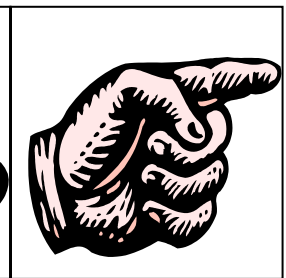

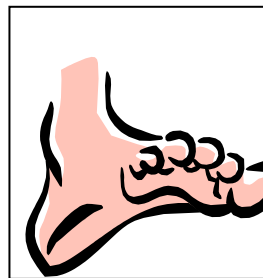

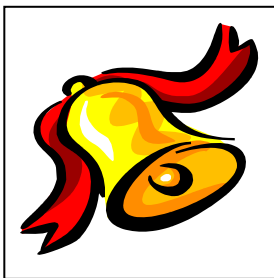

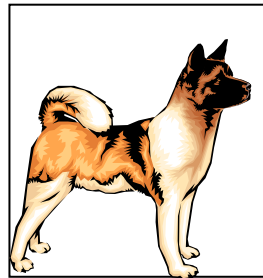

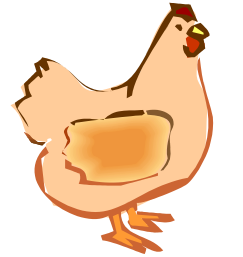

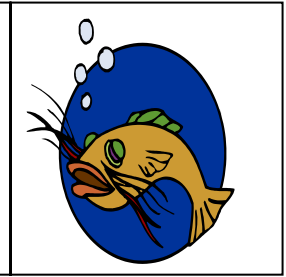

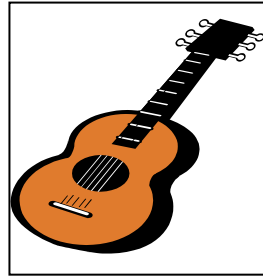

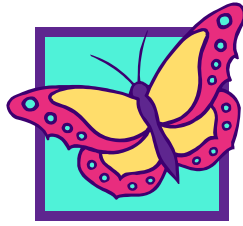

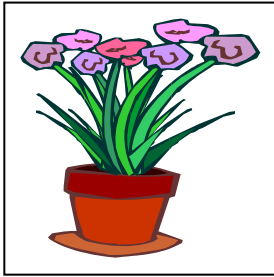

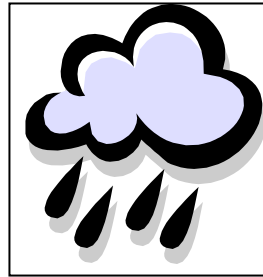

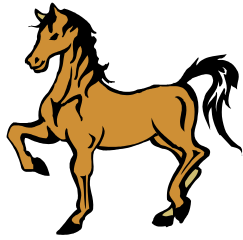

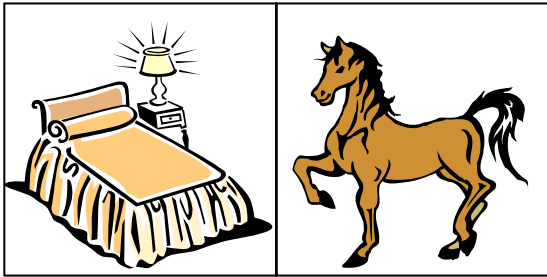

Bei dem Spiel geht es darum, dass das Kind herausfindet, ob der Vokal kurz oder lang gesprochen wird.

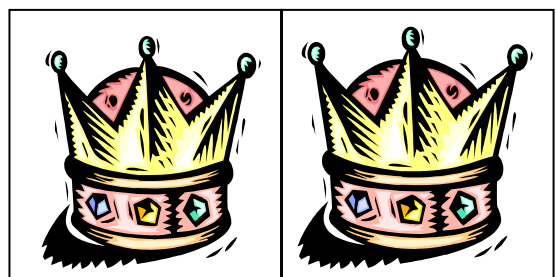

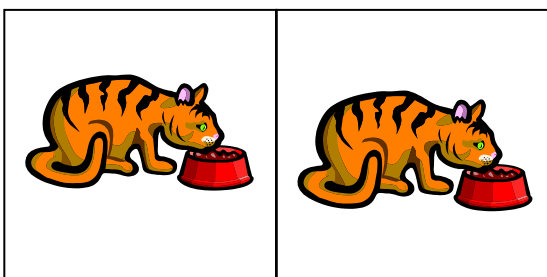

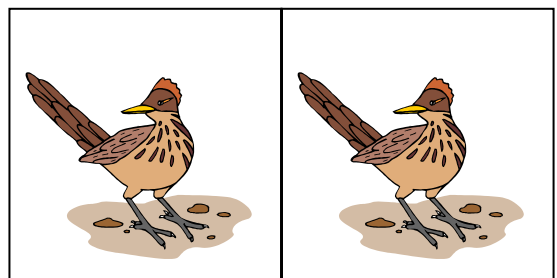

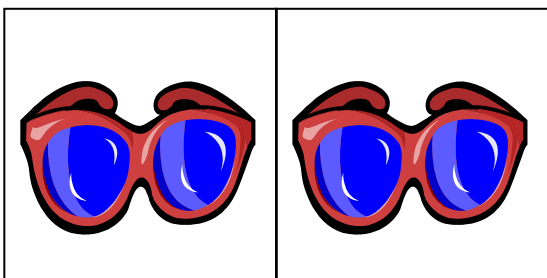

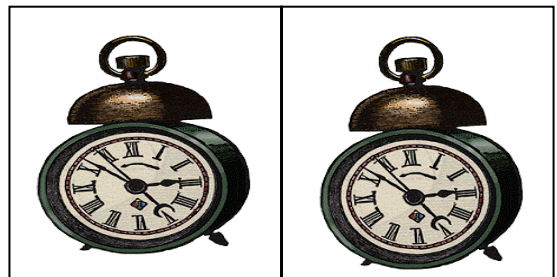

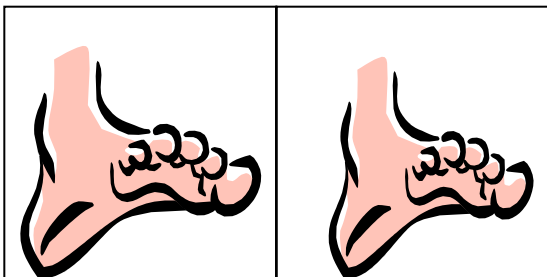

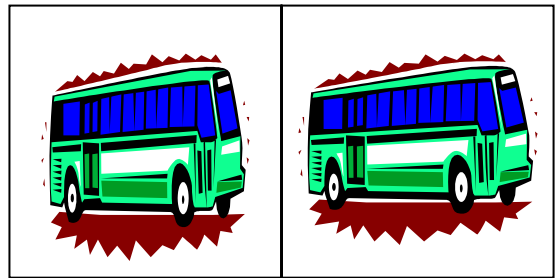

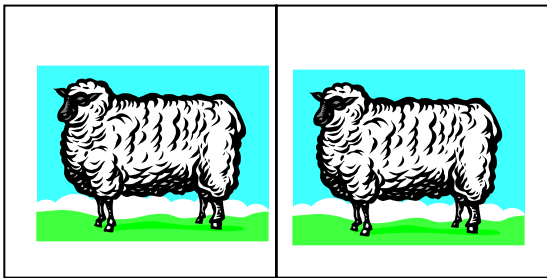

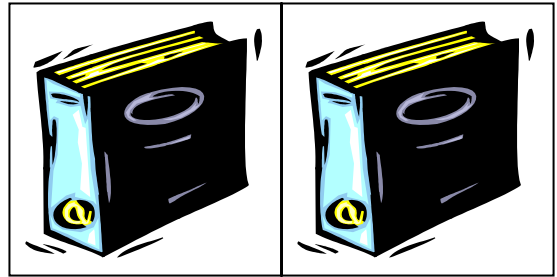

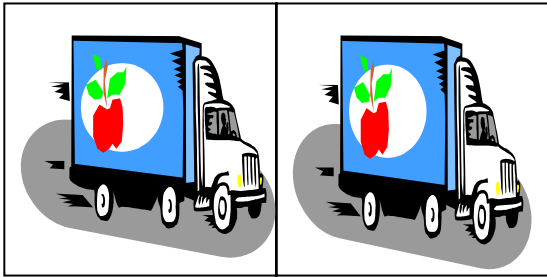

Denn kurz sucht kurz und lang sucht lang!

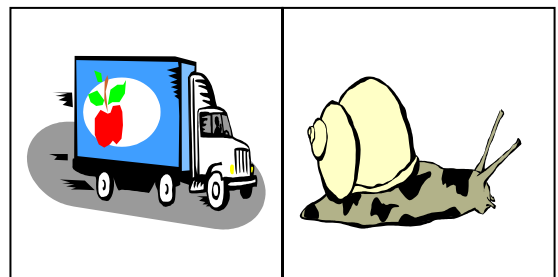

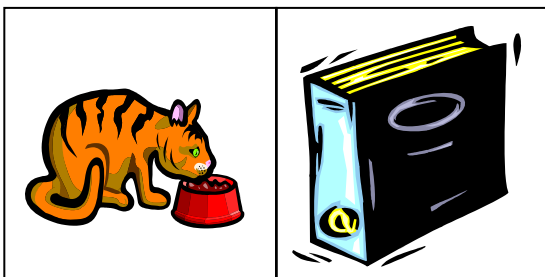

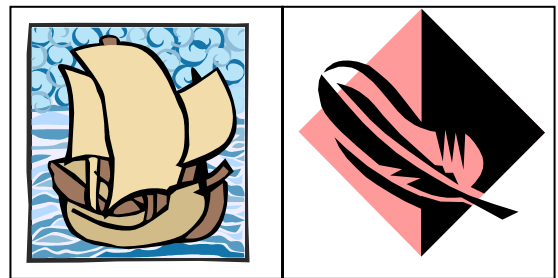

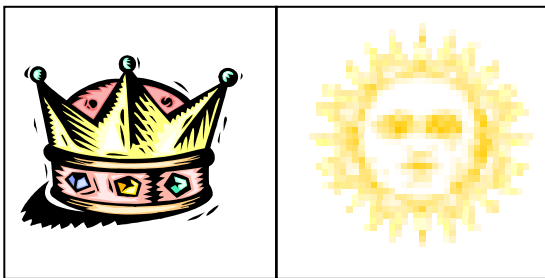

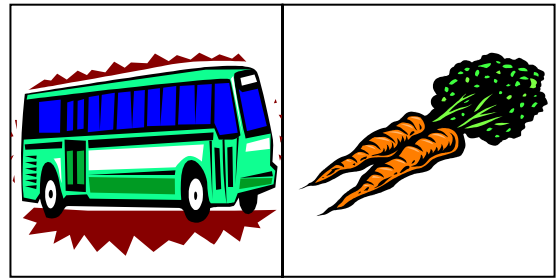

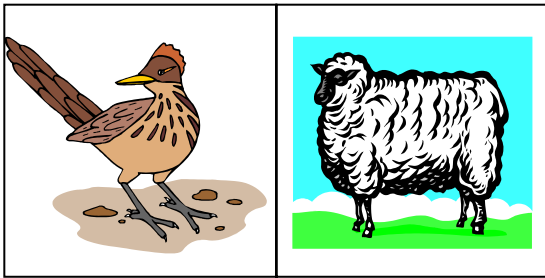

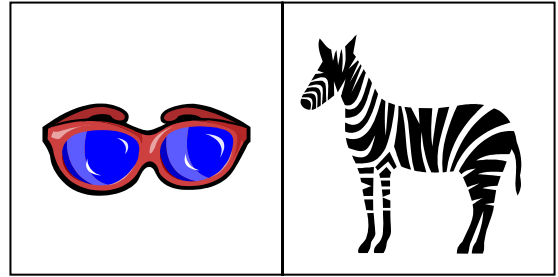

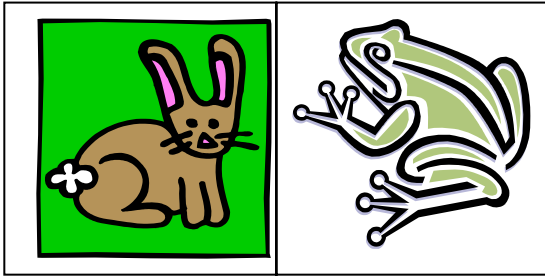

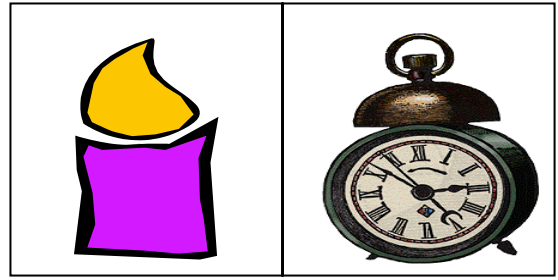

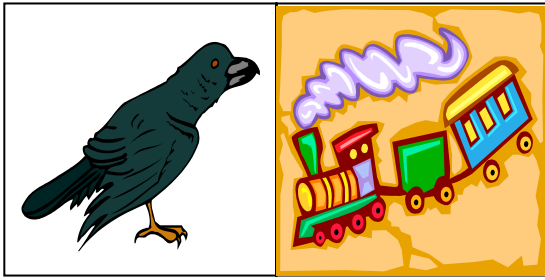

Die Kärtchen werden an die Mitspieler verteilt – ein Doppelkärtchen beginnt!

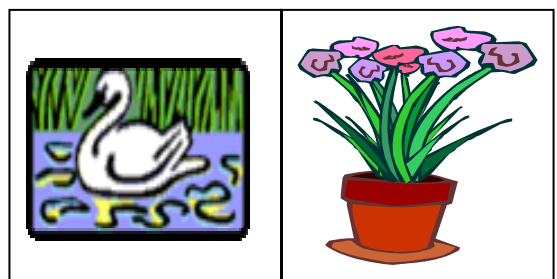

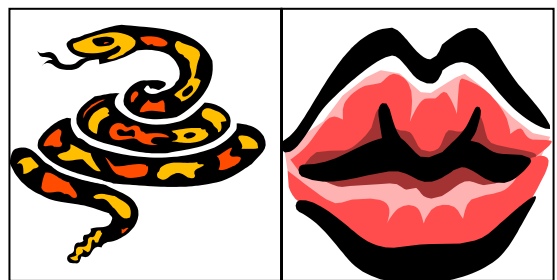

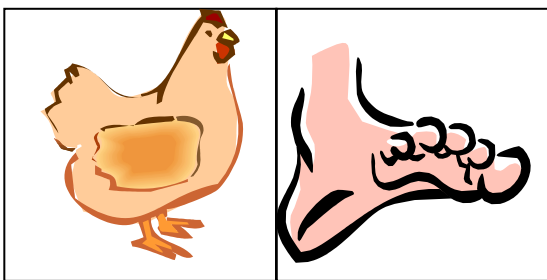

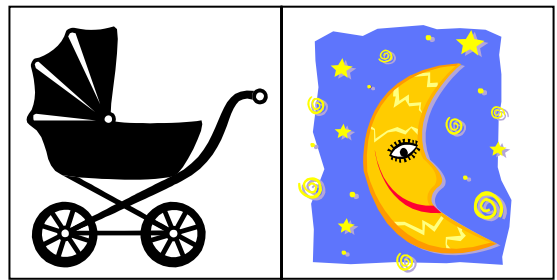

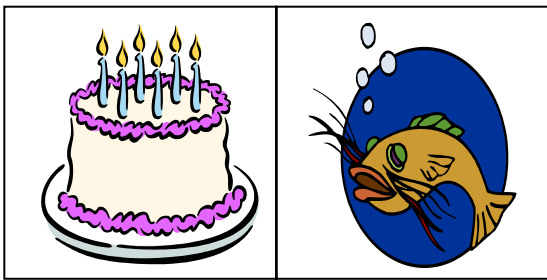

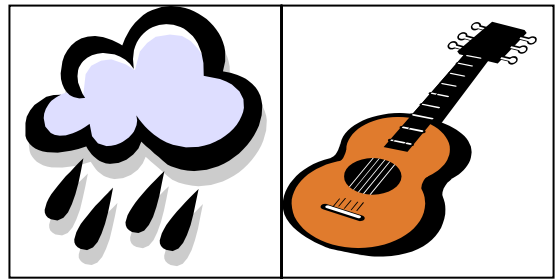

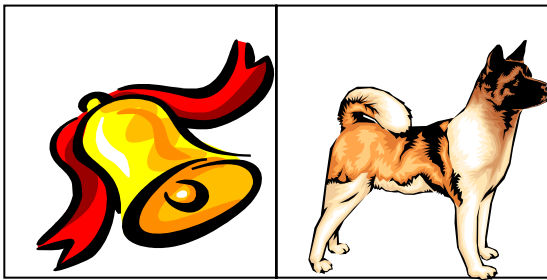

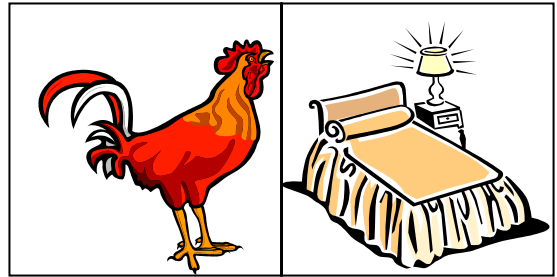

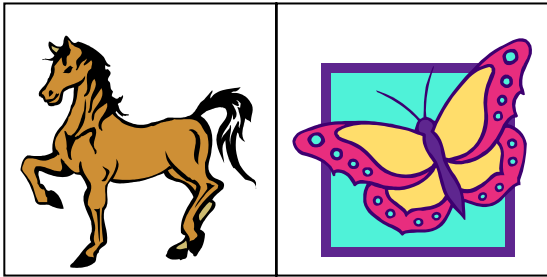

Z.B.: Sonne – Sonne (wird der Vokal kurz oder lang gesprochen). Das Wort wird vom Trainer vorgesprochen – das Kind spricht es nach, und soll herausfinden, ob das „o“ lang oder kurz gesprochen wird, und dann ein passendes Kärtchen anlegen.
