

TIME

Du nennst zuerst die Minuten und dann die Stunde. Bis zur 30. Minute wird an die Minuten **past** (nach) angehängt. Ab der 31. Minute hänge **to** (vor) an und zähle die Minuten bis zur vollen Stunde.

Beispiel:

11.13 – thirteen (minutes) past eleven

7.48 – twelve (minutes) to eight

15 Minuten nach – a quarter past (viertel nach)

15 Minuten vor – a quarter to (viertel vor)

30 Minuten nach – half past (halb nach) z.B.: 5.30 – half past five

Verwende **o'clock** nur bei der vollen Stunde!!

a quarter past nine

a quarter past two

a quarter past eight

a quarter past four

a quarter past ten

a quarter to four

a quarter to two

a quarter to one

a quarter to five

a quarter to seven

half past three

half past nine

half past six

half past eleven

half past twelve

twenty past five

ten past seven

ten to eight

twenty to three

one o'clock
