

Winkelmemory

 A diagram of a right angle, consisting of a vertical line segment on the left and a horizontal line segment on the bottom, meeting at a 90-degree vertex.	Rechter Winkel
 A diagram of an acute angle, consisting of a horizontal line segment on the bottom and another line segment extending upwards and to the right from the same vertex.	Spitzer Winkel
 A diagram of a straight angle, consisting of a single horizontal line with a vertical tick mark in the center, representing a 180-degree angle.	Gestreckter Winkel
 A diagram of an obtuse angle, consisting of a horizontal line segment on the bottom and another line segment extending upwards and to the left from the same vertex.	Stumpfer Winkel
 A diagram of a reflex angle, consisting of a horizontal line segment on the top and another line segment extending downwards and to the left from the same vertex.	Erhabener Winkel
